Hydro Series™ H70
High Performance CPU Cooler

SKU Live Date	**August 1st, 2010**
Intro Phrase / Tagline	**Cool, Quiet, Easy to Install**
Product Full Name/Title	**Corsair Hydro Series H70 High Performance CPU Cooler**
25-Word Product Description	The Corsair Hydro Series H70 is the best choice for high performance CPU cooling. A worthy big brother to the already excellent Hydro Series H50, the H70 improves upon the design in every way.
50-Word Product Description	The Corsair Hydro Series H70 features a new and improved cold plate and pump, a thicker radiator with more surface area for better cooling, and twin 120mm fans for a push-pull configuration that ensures outrageous airflow. The Hydro Series H70 is clearly the leader when it comes to all-in-one liquid cooling solutions.
100-Word Product Description	The Corsair Hydro Series H70 is the best choice for high performance CPU cooling. A worthy big brother to the already excellent Hydro Series H50, the H70 improves upon the design in every way. A low profile pump and improved cold plate allow for even easier mounting to your CPU. Compatibility with all modern AMD and Intel desktop CPU sockets is included in the box. A higher-performance radiator with nearly twice the surface provides even more room for liquid to get cool before it returns to the cold plate. And as if that weren't enough, the Hydro Series H70 comes with twin high-performance 120mm fans, optimized for a push-pull configuration, to allow maximum airflow through the radiator. The Corsair Hydro Series H70 is the best choice for a high performance CPU cooler on the market, bar none.
Product Features	• A new improved cold-plate design more efficiently transfers heat. • A thicker radiator increases the cooling surface area for even better cooling potential. • Dual 120mm fans with multiple speed options that let you optimize the maximum cooling and minimum noise. • Includes mounting hardware compatible with all modern CPU socket designs
Specifications	**Radiator Dimensions**: 120mm x 50mm **Fan Dimensions**: 120mm x 25mm **Fan Speed**: Selectable 1600 or 2000 RPM **Air Flow**: 50.35 – 61.2 CFM (per fan) **Static Pressure**: 1.8 – 2.3mm H20 (per fan) **Noise Level**: 26 – 31.5 dBA (per fan)

	CPU Compatibility • Intel LGA 775 • Intel LGA 1156 • Intel LGA 1366 • AMD Core AM2 • AMD Core AM3 Box Contents • Corsair Hydro Series H70 High Performance CPU Cooler • Multi-platform mounting kit for all modern CPU sockets • Fan and radiator mounting screws • In-line resistors for fan speed modification • Thermal compound (pre-applied) • Quick Start Guide
Part Number / UPC	CWCH70 / 843591008402
Shipping Dimensions	10.5” x 9” x 5.5” (L x W x H) or 267mm x 229mm x 140mm
Shipping Weight	3.5 Lbs or 1.6 Kg
Unboxed Product Weight	1.8 Lbs or 800g
Pallet Quantity	120
Master Pack Dimension	21.6” x 17.3” x 11.7” or 549mm x 439mm x 297mm
Master Pack Quantity	12
Master Pack Weight	28.6 Lbs or 13 Kg
Harmonized Tariff Code	8473.30.5100
Country of Origin	China
Warranty	Two Years
